Buy-It-Now! Instructions

Each item listed in the Catalogue may be purchased at its “Buy-It-Now!” price until 11:00 AM on Thursday, September 15th. That way you can be certain to reserve your spot at an event, or win an item even though you won’t be able to attend the auction.

To purchase a Buy-It-Now! Item, send an e-mail to auction@vistauu.org listing the item and its Buy-It-Now! price. The money for these items MUST be received in the office by 11:00 AM on Thursday, September 15th or the items will be released for bidding at the auction. If the total purchase price for your Buy-It-Now! items is over \$250, you are eligible for the payment plan, and only 25% of the total Buy-It-Now! purchase price will be required by the deadline above.

If more than one person is interested in purchasing the same item at its Buy-It-Now! price, the person who gives their money to the office FIRST will win that item. If you have any questions regarding this process, please e-mail us at auction@vistauu.org.

Reserve Prices

If an item has a Reserve price noted, this indicates the minimum bid that will be accepted. So if an item has a Reserve price of \$30, a final bid of \$25 will NOT win the item – winning bids must be \$30 or greater.

Sign-Up Events - *NEW!*

Something different this year is the “Sign-Up” Category for our largest Events. These events have a set price, and at the auction you can sign up on the list if you would like to attend that event. It will be first come, first served, so if you can’t make it to the auction early, you might consider using the “Buy-it-Now” option to ensure your spot at those (and other) events. (see pages 23-24)
